UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL ADJUSTMENT ADMINISTRATION

LIST OF AVAILABLE PUBLICATIONS

October 1, 1941

The publications as listed are for free distribution. Copies will be sent free when requested unless the supply is exhausted.

These publications fall within the following classifications:

General Information, which includes addresses and statements by officials of the Department of Agriculture and publications of general interest to persons concerned with agricultural problems.

Commodity Information consists of pamphlets of a general character explaining the programs for some of the basic agricultural commodities.

Regional Information is information about the Agricultural Conservation Programs being carried out under the Soil Conservation and Domestic Allotment Act and the Agricultural Adjustment Act of 1938 for the country and also for specific sections of the country.

Producer-Consumer Leaflets consist of a series of leaflets dealing with various ways in which the problems of farmers and city people are related.

Requests for free publications should be addressed to the Distribution Unit, Agricultural Adjustment Administration, U. S. Department of Agriculture, Washington, D. C.

Indicate by both number and title the publication you desire.

Be sure to write name and address plainly and indicate street and number or rural route number.
